R. B. Bennett, Esq., M.P.

Calgary, Alberta.

Dear Mr. Bennett:

It is very kind of you to call my attention to the address of Viscount Balfour as Chancellor of the University of Bristol. I think I read this address some time ago, if I am not mistaken it is included in a recent volume of his on university subjects, - a most striking volume.

I think that a good many of those who are urging the establishment of a University at Calgary do not at all realise what it would involve for the city as well as for the Province.

I hope that the next time you come to Toronto, perhaps while you are at Ottawa, you will let me know so that I may have a chance of seeing you. With kind regards and best wishes for the New Year,

I am,

Yours sincerely,

President.
